Message from Mrs Berthoud

Career education week.

Would be able to spare some time to come and talk about your job?

We are holding our first career week June 8th to 12th 2026 and would love as many adults as possible to come in and talk to their child's classes about their job so we can raise aspirations and challenge stereotypes.

If you can - do get in touch with me or your class teacher to arrange a time
