A reminder that children's school shoes should be all black shoes or trainers please.

Hooped earrings are a health and safety risk and only studs should be worn please.

LEARNING

In the recent pupil survey 97% of children (compared to June 2025 94%) like school

99% of children say that teachers help them do their best.

95% of children said feedback helps them improve so teachers will be working hard on ensuring marking and feedback is clear and actionable.

SAFE

We have completed pupil questionnaires with the children via school council and I am delighted with the results.

In November 2024 when I first arrived only 74% of children felt safe from bullying last summer this was 96%.

Now the question asks if adults deal with bullying and 97% of children say they do.

We have spoken to all children in the 3% and most of these concerns are from older children remembering historic events.

We will put things in place to ensure this moves towards 100%.

HAPPY

Our Lacrosse team represented the school at the South Regional POP Lacrosse Finals. The team finished 4th in the group stage to qualify for the knockout stage. Unfortunately they came short in the Quarter Final to the eventual winners. However they have done themselves and the school proud! support!
