Message from Mrs Berthoud

Welcome to the new school year! I hope you had a great summer and a good rest.

A warm welcome to the new starters in Reception (the class of 2032!) who start with us next week.

I always love this time of year seeing all the children slightly taller and in different parts of the building to last year.

Everyone has settled well and Year 6 are already taking their new status and responsibilities seriously.

LEARNING

This year we are changing, along with all the school in the trust, to a new curriculum for History, Geography, Art, DT and science. We will be following CUSP curriculum - which we already have for reading, spelling and English.

Some topics may be slightly different but as it covers the National Curriculum it will be broadly the same eg Year 4 doing Egyptians and Year 6 learning about WWII.

Teachers will be sending out curriculum maps soon and next week they will be holding meet the teacher meetings after school to explain more about curriculum and general expectations.

BE READY

As part of the Trust Development Plan objective around sustainability, we are collecting data on how pupils get to school. Please can I ask you to complete a form on this link [Pupil Commuting Survey - Fill in form](#)

Diary Dates

Do look at the calendar on class dojo for upcoming events.

Teachers add regularly there for their own year groups, whilst I add whole school events.

You can now sync this calendar (via settings) to a google calendar to make it even easier!

HAPPY

Do make sure you have signed up to Arbor via an email sent to you. From October half term you will be able to book after school club sessions from here. The office are happy to help if if needed,
