Message from Mrs Berthoud

We have been advised that there will be significant roadworks on Southborough Lane by Petra Wood Library from Monday 24th November, for up to 4 weeks which will impact travel to school.

The rumour is that there might just be temporary lights rather than a road closure.. either way please do check before you travel and allow extra time for your journey.

Attendance Matters

Who is 96%+?

LEARNING

Children in Year 2, 3 4 5 and 6 have completed Star Reading and Maths assessments. These are used to determine your child's reading and maths level.

Renaissance is a computer based assessment program that uses computer adaptive technology.

Questions continually adjust to your child's responses. If the child's response is correct, the difficulty level is increased. If the child cannot answer a question or answers incorrectly, the difficulty level is reduced.

The test uses multiple-choice questions and takes approximately 20 minutes to complete. You will receive a parent report of results at parents evening next week.

SAFE

A reminder to not park across dropped curbs on Oxhawth Crescent please. We get regular complaints from neighbours saying they cannot come and go due to poor parking.

HAPPY

After a busy assessment fortnight it was a delight to see children enjoying a day of Design and Technology - food tech. (Year 4 will do this soon!)

Year 1 - pasta salad
Year 2 - pizzas
Year 3 - toasties
Year 5 - rice crispy cakes
Year 6 - flapjacks

Diary Dates

Tuesday 25th and 27th - **Parents evening in classrooms.**
