Own clothes day Friday 21st November

#togetherweflourish

Message from Mrs Berthoud

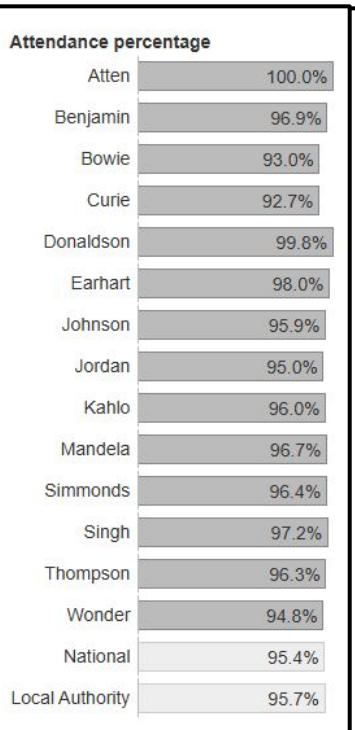

A reminder that we are a nut free school. We have staff and children who are very allergic to nuts. No nuts includes nutella chocolate spread and nutella bars please.

I found out recently about the Mr Foley rule of only having crisps on a Friday in packed lunch boxes and on school trip days - we can consult about if this should change.

Lunch time staff think that some children have too many 'treats' in their packed lunch boxes and this will be monitored.

Attendance Matters

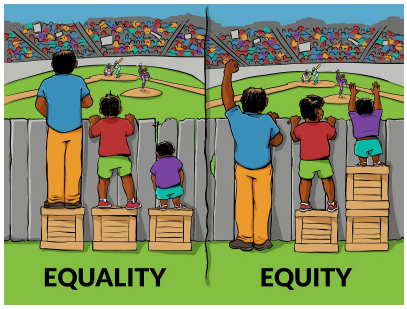

Who is 96%+?

LEARNING

Teachers attended a TPA INSET day last week with a focus on SEN, which was very interesting. The speaker showed this image to explain the importance of children receiving tailored learning.

We do not treat all children the same. Some children have different things to support their learning and this is called equitable education.

SAFE

Please do not allow pre schoolers or reception children to ride push bikes/ bikes/scooters on the playground.

They can be very fast and knock someone over whizzing around a corner.

A huge thank you to all the parents who help with

1. reading in school
2. transporting children
3. going on school trips
4. supporting teams in matches after school.

HAPPY

It was a joy to see so many children dressed in cultural clothes on Wednesday.

Well done to parents and carers for the thought and effort you put into outfits to allow these important conversations to take place about diversity and heritage.

See instagram for a reel of images about the day!
