Message from Mrs Berthoud

Parent engagement

I would be grateful if you could spend the time completing our parent view please.

This should be completed annually https://parentview.ofsted.gov.uk/ even though we are not due Ofsted until Autumn 2028.

Thank you to Mrs Hawkins for organising the first parent coffee meeting last Friday where £390 was raised for Macmillan Cancer. More dates for more informal parent meetings to be announced soon!

I have asked all teachers to offer a meet the teacher session before half term, next year we will do these in the first few weeks of term.

HAPPY/LEARNING

Stickers, postcards, golden stickers, prize box, 50 dojo stickers, star of the week, head teacher award and dojos! The children love it!

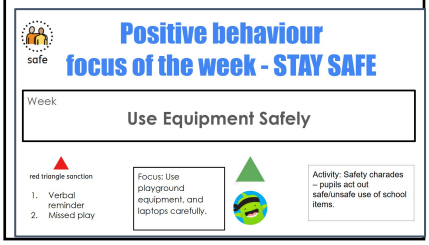

We have a lot going on to reward children for their behaviour and learning. The new green triangle system links to dojo and where they end up on the triangle each day is added in points to class dojo at the end of the day.

SAFE - Behaviour focus

Our school rule focus: Stay Safe

Our behaviour focus of the week is:

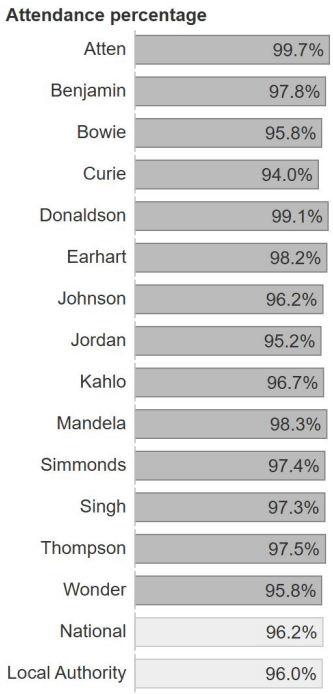

Staff changes

Mrs Deller leaves Southborough this week for a new role as a child chaperone. She has worked at Southborough for 30 years and we wish her well on the next stage of her career!

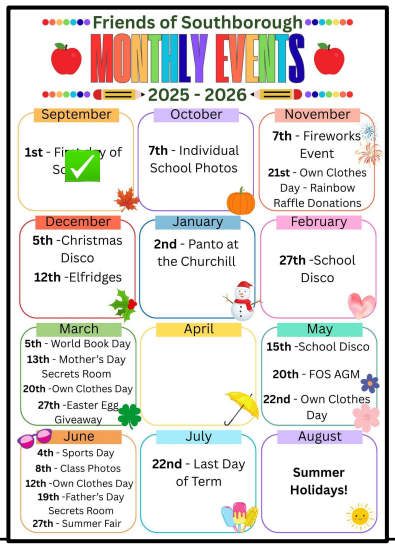

Thereza Shaw also leaves her lunchtime role. We will miss them both very much. Good luck!

Attendance Matters
