We would like to remind you of the importance of keeping the School up to date of any medical conditions or allergies your child may have or any changes from the previous information you have provided.

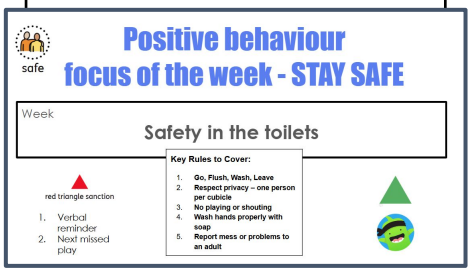

Having accurate and up to date medical information is very important to make sure we can support your child's health during school.

Any updates can be emailed to admin.

SAFE - Behaviour focus

Our school rule focus: Stay Safe

Our behaviour focus of the week is:

HAPPY

Children are loving the new behaviour triangles in class. I am loving seeing children to discuss learning at the end of the day. Children can earn stickers and postcards home too!

Diary Dates

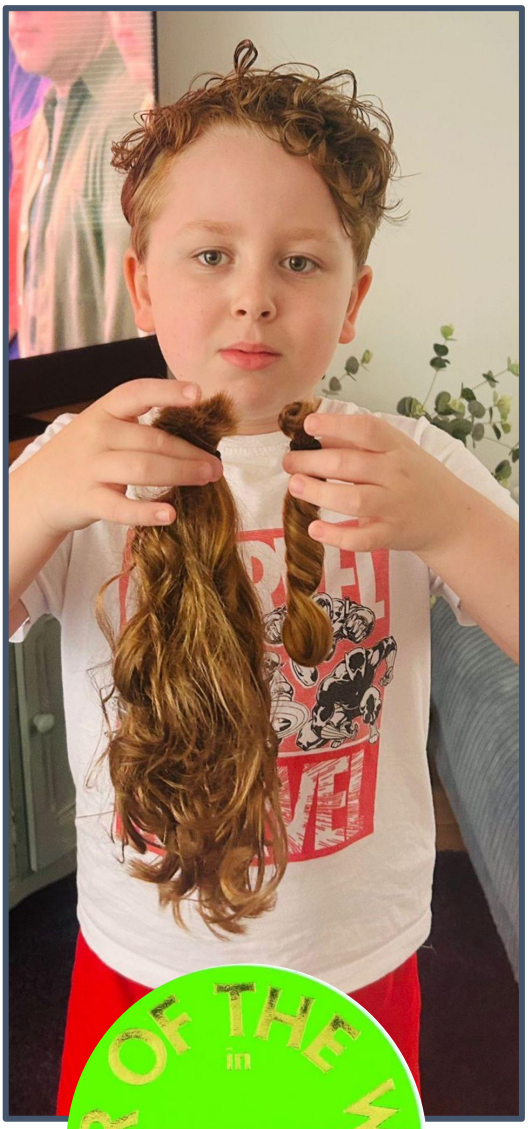

TT Rockstar launch day - Thursday 2nd October - **dress as a rock star! (whole school)**

MacMillan Coffee morning - Friday 26th September

Grandparent afternoon - Friday 3rd October

Harvest collection Monday 6th October

School photos - Tuesday October 7th

You are about to do something amazing!!

We are all so proud of Lenny who has been growing his hair and decided to cut it off and donate to the Little Princess Trust this week.

The Little Princess Trust provides free real hair wigs to children and young people, up to 24 years, who have lost their own hair through cancer treatment or other conditions.

PE shorts

Staff would be grateful if KS2 girls wore shorts which are longer on the leg than the Nike Pro 'hot pants' style short where appropriate please.

Safeguarding procedures - pick up

Please let the office know if another parent is to collect your child - so that messages can be passed on to the class teacher in a timely fashion.

Shoe laces

We have lots of children wearing black trainers with shoelaces - who cannot do up shoelaces when they come undone.

Staff would be grateful if you could teach your child to do up laces in this instance please as undone shoelaces are a trip hazard.
